

Despite her limited English, Ewa and her daughter have been made to feel **welcomed** and **supported** by Ravensthorpe Primary School

Ewa and Krzysztof Dymek live in Peterborough with their children Julia, nine, Kacper, four and baby Kevin.

“Since Kacper started to visit Julia’s school and has been to look round it, he can’t wait to get his uniform and meet his new teachers! He obviously feels at home there already, and it is a reflection of how welcoming the school is that Kacper is so excited to be going there with his big sister later this year.”
