

Julie and John Alexander live in Gateshead with their sons Nathan and Kieron who are ten and 12 respectively.

As a mother and an academic Julie knew what she **wanted** for her children, and she has **found exactly** that at **Riverside Primary Academy**

Wonderful Foundation

Julie says, “Working in higher education perhaps makes me even more appreciative of the importance of early education. The Baby and Toddler Group I took Nathan and Kieron to at Riverside was excellent and gave them a wonderful foundation to build on before they started Nursery and school.”

Transition Seamless

“The close links that the Toddler Group had with the school made the transition seamless and easy for them, and both my boys have benefited massively. They are bright boys and their early start at Riverside has, I have no doubt, nurtured their talents and abilities in the best possible way.”
