Values

As a Modern Orthodox Jewish School, we are inclusive and caring. We welcome all pupils. Whatever your faith, ethnicity, gender presentation or individual needs, we will support you. We believe that every pupil should have the same opportunity to achieve their full potential and flourish at school.

Our school ethos is key to everything we do.

We believe in the importance of learning, community and charity.

What are lessons like at King Solomon?

You will study new subjects and build on what you have learnt in subjects you have studied before.

In Year 7, you will study:

English, Mathematics, Science, History, Geography, Jewish Studies, Performing Arts, Physical Education, Spanish, Ivrit, Art, Media and Technology.

You will find that our classrooms have fantastic equipment and the teachers have expert knowledge in their subjects. They will teach you in interesting and fun ways and are dedicated to helping you fulfil your potential here at King Solomon.

You will receive a very useful knowledge organiser, which summarises what you will be learning in each subject. This will help you retain your knowledge and revise!

We have lots of different sports clubs and you may want to join one of the school teams and represent the school at competitions!

We are very lucky to have a fabulous large sports field, which is perfect for athletics, cricket, football and plenty of other outdoor sports.

Trips

We enjoy taking our pupils out on trips to places like museums, theatres, sporting fixtures and drama workshops. These are a great way to expand your knowledge whilst having lots of fun.

All pupils get the exciting opportunity to visit Israel. There is also the chance to take part in The Duke of Edinburgh's Award Scheme.

We have no doubt that you will make lots of wonderful lifelong memories at King Solomon High School.
