

Ofsted
Outstanding

Claire and Gavin Kelso live in Stevenage with their two daughters Iona, 13 in Year 8 and Hazel, nine.

Claire and Gavin are proud to say their daughter goes to Knightsfield School. They believe it offers the whole package for life preparation

Excellent communication skills

Claire was impressed with the schools ability to explain and communicate with the children. "If Iona is ever uncertain about anything or is experiencing any difficulties with friends, they school is excellent at reassuring her, sitting down and talking through and explaining everything, which is teaching her a great life skill for the future."

Communication

"The communication book is a good way of sharing any issues but honestly, they're very good at anticipating what might cause a concern for a deaf child and they deal with it very quickly, which is fantastic to know as a parent."

Parent says:

"To my mind, Knightsfield School is the best choice around for children with a hearing impairment. I'm glad we didn't go anywhere else."

Professional says:

"Knightsfield School provides a safe, caring and welcoming environment for its pupils. The purpose built classrooms afford superb listening conditions and when coupled with the dedicated, encouraging and supportive team of professionals there, every pupil is given the opportunity to thrive."
Donald A Allan, Senior Advisory Teacher - H/ Educational Audiologist.

Head says:

"Hat's off to Knightsfield School!... We were so impressed with the standards of writing by the Knightsfield pupils along with their manners and maturity. What great role models for our children. Please come back again!"
Mary Westley, Head, Welwyn St Mary's C of E Primary School.
