

Jin, Charlie and Evie are coming to St Mary's Catholic Primary School

Mylo, our school
dog, is very pleased
to meet them.

What happens when I get to school?

Your grown-up will say goodbye to you at your classroom door.

“Bye, Mum,” says Charlie, as he walks into his classroom.

When you are inside, you will hang up your coat on a peg with your name on it. Then you will put your water bottle on the shelf and your book bag in the tray with your name on it.

The day begins when your teacher takes registration. When they say your name, you will say “good morning” to let them know you are in school that day.

While you wait for the other children to arrive, you will sit on the carpet to sing fun songs or nursery rhymes.

“The Grand Old Duke of York is my favourite,” says Jin.

Are you excited about coming to school?

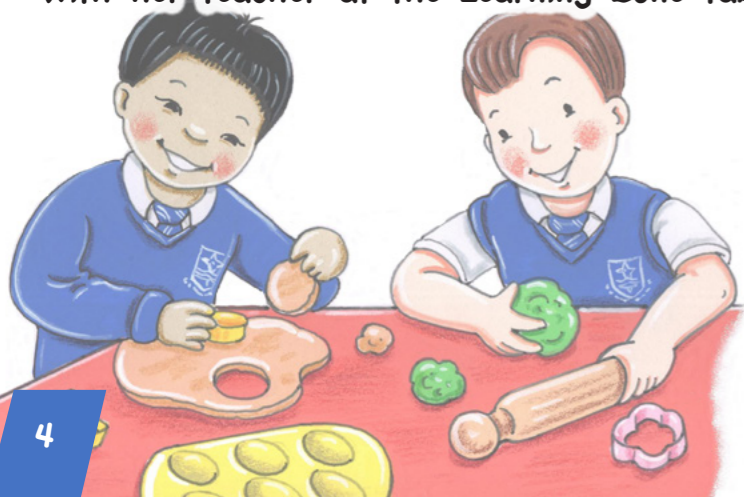

What will I do in school?

There are lots of fun activities to do, and most of the time you can choose what you would like to do. You can play by yourself or with your friends and you will learn while you are playing.

Jin and Charlie are playing with play dough.

"I'm making chocolate chip cookies," says Jin.

There are also activities that you will do with your teacher. Evie is learning about Planet Earth with her teacher at the Learning Zone table.

Now she is playing in the construction area with her friend.

"This rainbow will look lovely on the roof of our house," she says.

You will also find fun things to do outside the classroom. Jin is making a mud pie.

"This water will make the mud sticky," he says to his friend.

What do you like doing with your friends?

What happens if I am hungry or thirsty?

In the morning, you can have a healthy snack and a drink of milk or water.

At lunchtime, you will have a delicious school dinner or a packed lunch in the hall. Kind adults will be there to look after you.

The children are using good table manners as they eat. "I'm glad I practised using my knife and fork at home," says Charlie.

What happens if I need the toilet?

There are two toilets in our classroom, and you can go whenever you need to. Evie is going to the toilet. She remembers to flush it after she has finished.

"I am glad I practised going to the toilet by myself before I started school," she says.

Don't worry if you have an accident or need any help. You can tell your teacher.

What happens at home time?

At the end of the school day, you will sit on the carpet and say a prayer. When your name is called, you can go to your grown-up.
