

Alice, Olivia and Jacob are going to  
St Wilfrid's Church of England Primary School

"Let all that you do be done in love." (1 Cor 16:14)

We have a school  
mascot called Floppy.  
Can you see him in  
any other pictures?

# What happens when I get to school?

You will hang up your coat on your named coat peg and put your waterproof clothing and wellies there too. You will put your book bag in a special box.

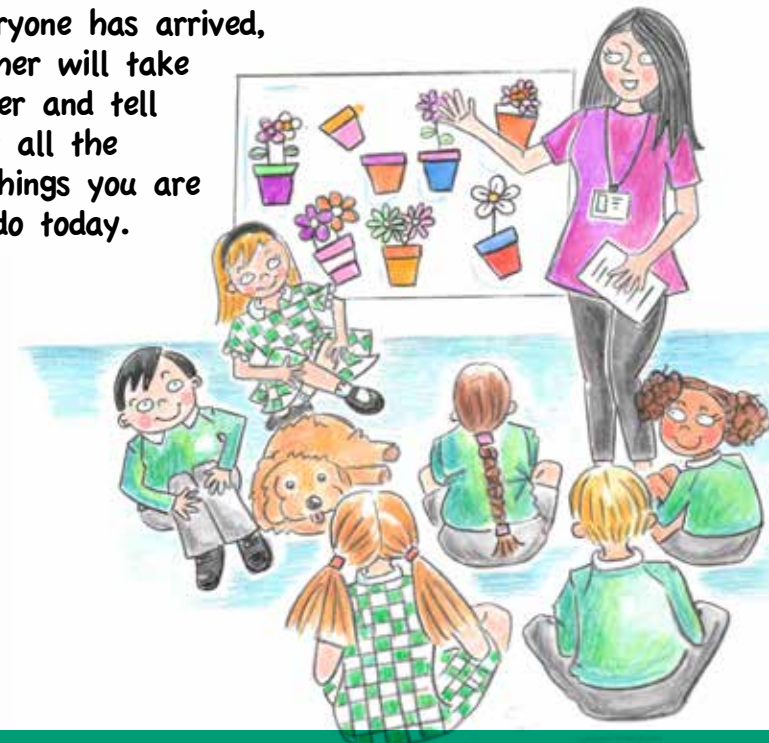

Olivia practised taking her shoes and coat off at home, so she knew how to do it.

You will wash your hands and then go into the classroom, where you will put your water bottles away.

You will then sit on the carpet in your group. Our groups are **RED**, **BLUE**, **GREEN** and **YELLOW**.

When everyone has arrived, your teacher will take the register and tell you about all the brilliant things you are going to do today.

Are you excited to be starting school?

## What will I do in school?

**You will learn and make friends while you play. Sometimes your teacher will lead the activity, and sometimes you will choose.**

Alice and Olivia are having lots of fun playing with Play-Doh. "It's very squishy," says Olivia.

There are lots of activities to choose from, both indoors and outdoors.

## Play-Doh

## Creative area

## Reading area

**Writing area**

## Role play

## Construction area

**Duplo**

**“Can you catch me?”**  
asks Jacob, as he  
cycles away from Alice.

## What are your favourite things to do?

# What happens if I need the toilet?

You can go to the toilet whenever you want, but tell the teacher if you are doing a teacher-led activity.

Everything in the toilets is the right size for children.

Olivia practised at home while wearing her uniform, so she knew what to do in school.

If you have an accident, don't worry. Just let your teacher know and they will help you.

After flushing, Olivia washes her hands. "I don't want to spread any germs. I enjoy washing my hands as the soap is bubbly and smells of flowers."

Olivia is then very careful to dry her hands. "I don't want to have wet hands in class," she says.

Are you going to practise at home, like Olivia?

## What if I'm hungry or thirsty?

At morning breaktime you can help yourself to a healthy snack of fruit, with water or milk to drink.

If you are thirsty during the day, you can use your water bottle.

Alice, Olivia and Jacob like eating bananas.

At lunchtime, your teacher will take you into the hall and help you collect your meal from the serving area. Your grown-ups will have already ordered your meal online.

You can sit with your friends and there will be kind adults there to help.

Jacob is using a knife and fork to eat his tasty lunch. **"It's super tasty,"** he says.

Alice is enjoying her packed lunch, which she brought from home.

Alice, Olivia and Jacob have good table manners and are always polite to everyone.

## What is your favourite food?

## What else will I do at school?

Alice, Olivia and Jacob always have a fantastically fun time at school.

Sometimes there are assemblies where teachers, the Rector or visitors will talk to you about Jesus and God. Sometimes there are songs and prayers.

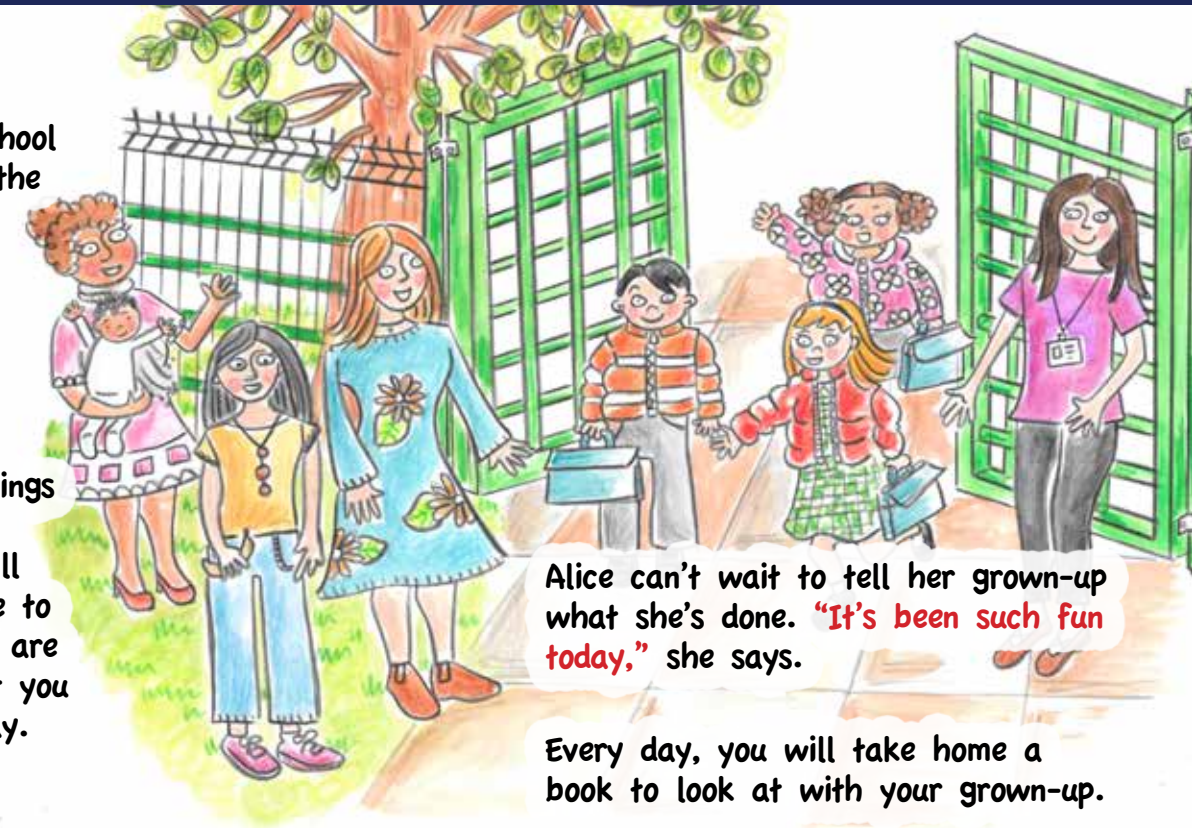

There are also special celebration assemblies where we will celebrate everyone's achievements. Alice, Olivia and Jacob have each done very well in school this week and will get a mention.

## What happens at the end of the school day?

At the end of the school day, you will sit on the mat and listen to a story. A favourite story is 'The Magic Faraway Tree'.

You will then collect your coat and belongings and sit back on the mat. Your teacher will then take you outside to your grown-ups, who are waiting to hear what you have been doing today.

**Olivia, Alice and Jacob love coming to  
St Wilfrid's Church of England Primary  
School and they think you will too!**

**St.Wilfrid's Church of England Primary School**
