How will I get to school and what happens when I arrive?

Most children will come to school by mini-bus, like Harry and Laila.

Bus escorts will look after you on the mini-bus until you get to school. Some children will be brought to school by their grown-ups.

"Hello, Harry," the adult says.
"Let's go to your classroom."

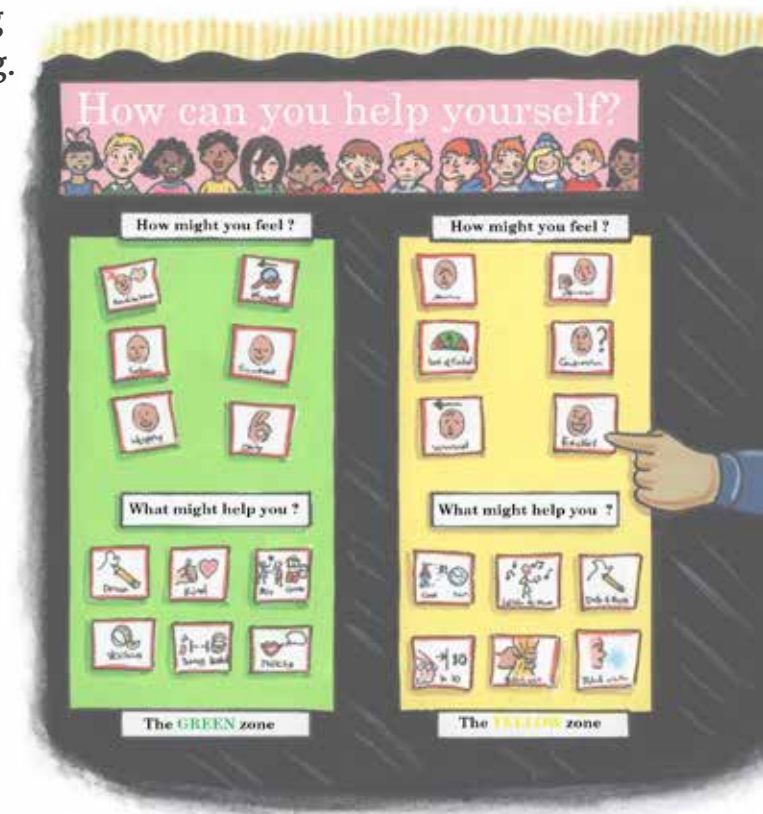

Harry can't wait to start his school day.

When you get to your classroom, you will hang up your coat and belongings, like Laila is doing.

You will then use the Zones of Regulation board. You will put your name sticker on the board which best matches how you are feeling and lets your teachers know how they can help you.

How are you feeling today?

What will I do in school?

You will have lots of fun learning and making friends in the classroom and outdoors. You will learn English, maths, art, music, history, geography, science, PE, attend after-school clubs and lots more.

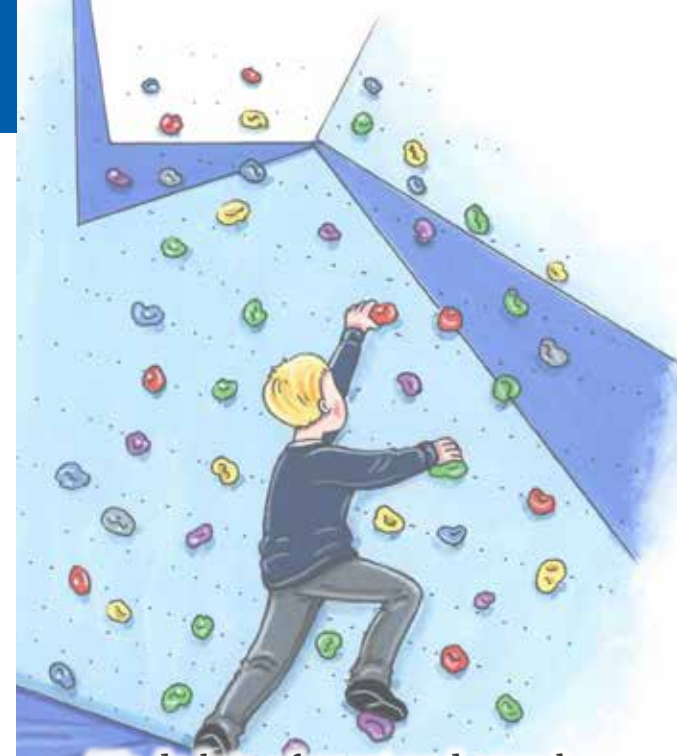

Harry is doing some maths work and learning about fractions.

“Using the blocks help me see what a quarter is!”

James and Olivia are doing phonics with their teacher.

James is showing the teacher that he knows that the word says.

We do lots of sport and even have a brilliant climbing wall.

“I am going to climb higher than last time,” says Harry.

Are you looking forward to making new friends?

James and Laila are getting messy outside in the mud kitchen.

“Can I have some of your mud?” asks James.

“Yes,” says Laila. **“I have lots!”**

What if I am hungry or thirsty?

You will have breakfast at the start of the day.

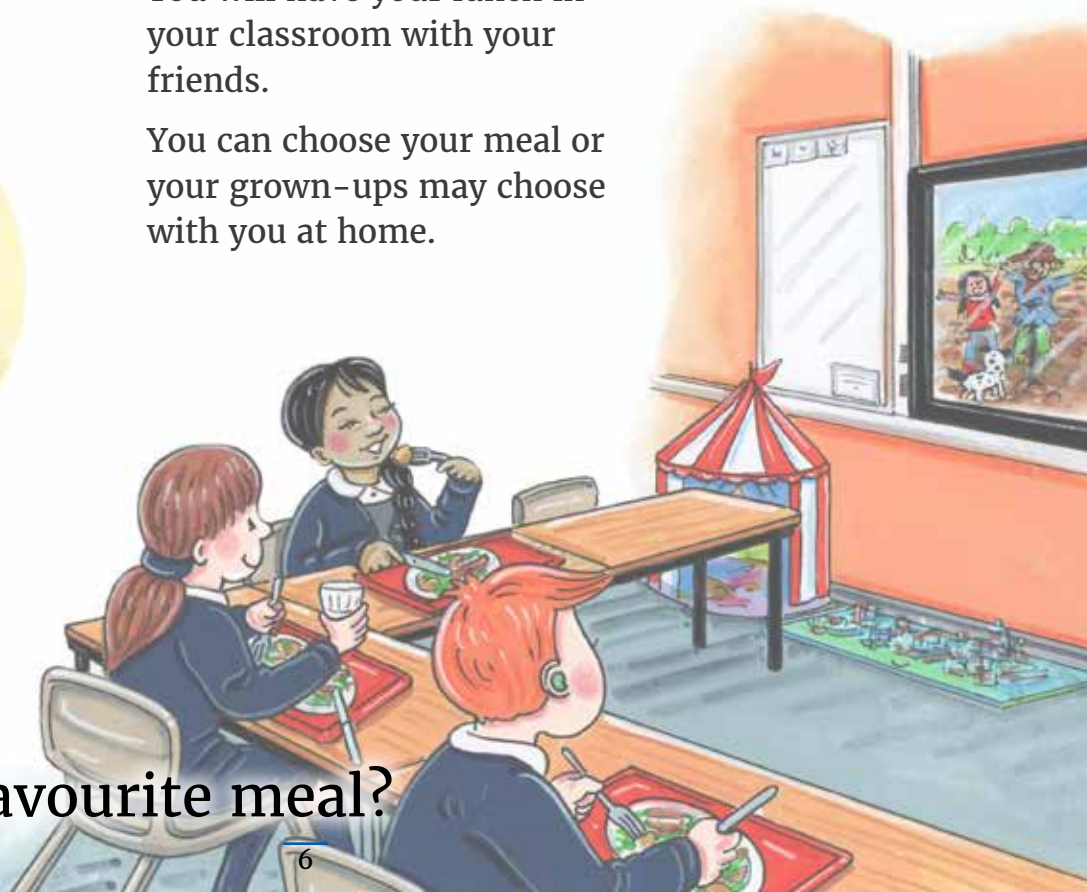

You will have your lunch in your classroom with your friends.

You can choose your meal or your grown-ups may choose with you at home.

James loves his food.

What is your favourite meal?

What if I need to use the toilet?

You can go whenever you need to, but don't forget to let your teacher know.

"May I go to the toilet?" Harry asks,

"Yes, Harry. We can carry on with this game when you get back."

Do you always wash your hands when you have used the toilet?

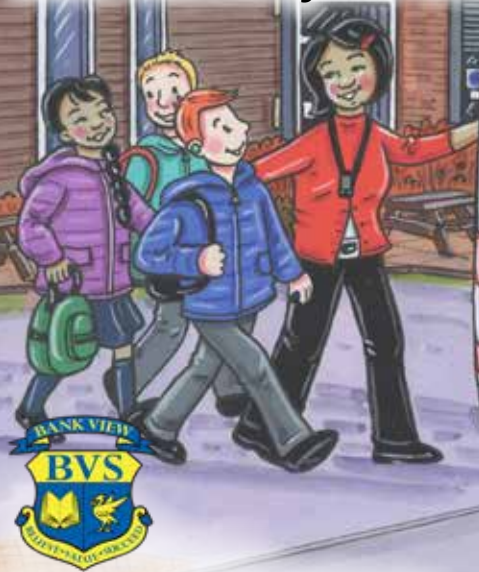

Harry has been to the toilet and remembers to flush.

He will then wash his hands with soap and warm water to make sure he cleans all the germs away.

At the end of the school day, Laila, Harry and James are going home on the mini-bus.

They love coming to Bank View and think you will too!
