

Aisha, Rohan and Oliver are coming to
primary school at Crowdys Hill School

How will I get to school?

Some of you will come to school in a minibus, some of you will come in a taxi, and some of you will come with your grown-ups. If you come by minibus, a kind adult will look after you while you travel to school.

One of your teachers will be waiting for you in the front car park. They will say hello to you and take you into school.

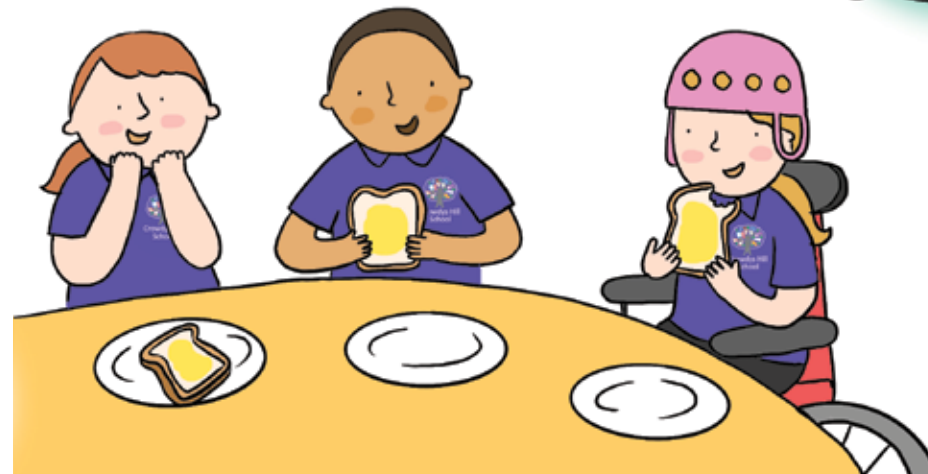

What happens at the start of the day?

When you come into the primary building, you will hang up your coat and put away your belongings. Oliver is putting his bag away.

You will start your day by having breakfast with your new friends.

Rohan is enjoying his toast and getting to know the other children in his class.

What do you like to have for breakfast?

What will I do at school?

You will do English, maths, music and lots more.

Oliver is using the computer.

Rohan loves playing the drums.

You can also visit the sensory room. Aisha enjoys the lights and calm atmosphere.

You will love our school farm and playing in our Forest School.

You will also have swimming lessons in the local swimming pool or hydrotherapy pool.

At breaktime, you will use one of the playgrounds. You can play football or go on the Jungle Gym and have lots of fun with your friends.

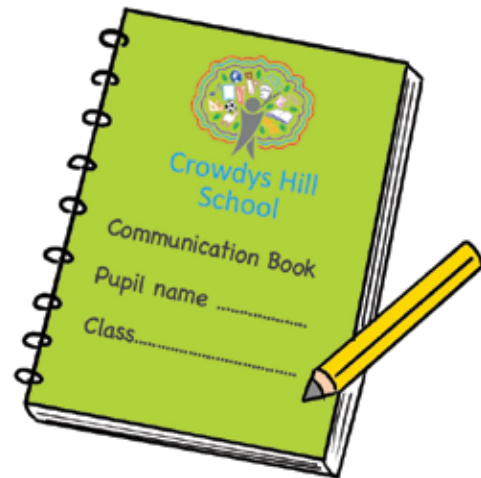

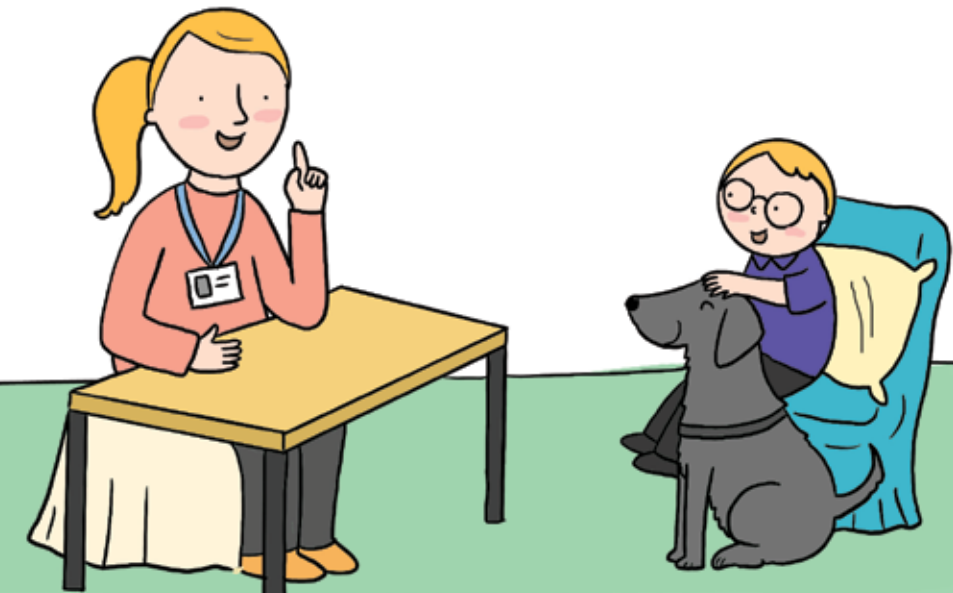

Rohan and Michael are playing together. Rohan loves spinning around.

What are you looking forward to doing at school?

What extra help will I get?

Lots of adults will visit you at school and spend time with you on things like helping you move better and checking your vision and hearing.

You can also speak to our kind school counsellor if you are worried about anything.

Our Pastoral Team can help your family too. We will let your family know about all the brilliant things you are doing at school by writing in your Home School Communication Book every day.

What happens at the end of the school day?

Your teacher will walk you outside to where you will be collected and taken home.

If you are getting the minibus, you can use a tablet from home to keep you entertained on your journey. Rohan is watching his favourite film.

Aisha has had a wonderful day and she can't wait to come back to school tomorrow.

Oliver, Rohan and Aisha love coming to Crowdys Hill School and they think you will too!
