School

How do I get to school?

You will come to school in a minibus with other students. The friendly minibus driver will drop you off at school, where adults from our school will be waiting. Everyone will be pleased to meet you!

You can hang your belongings on your peg when you get inside.

If you are feeling hungry, you can have something to eat at Breakfast Club, which is open between 8.45am and 9am. You can help yourself to toast, porridge or cereals.

What will I do in school?

You will have most of your lessons in one classroom, with your Teacher, a Teaching Assistant and your friends.

This means you don't need to worry about going from one classroom to another for different lessons.

The only lessons you will have outside your classroom will be cooking, drama and PE.

We also have a local pool and everyone loves going there for swimming lessons or hydrotherapy sessions.

You will compete in one of three Houses in PE. You could be in **Coate**, **Lydiard** or **Stanton** and wear a green, blue or red T-shirt.
