During these sessions, we do lots of fun activities to help you get better at expressing yourself and your feelings, learn how to take responsibility for your actions, make new friends and be more resilient.

### WHO SHOULD I SPEAK TO IF I AM WORRIED OR NEED HELP?

Every pupil has a key person. This is usually a staff member from your tutor group. They will check in on you regularly, and you can talk to them about anything. You can also chat with your tutor or any other adult at school who you trust. There are always lots of staff on duty at break or lunchtimes who you can go to if you need help or feel unwell.

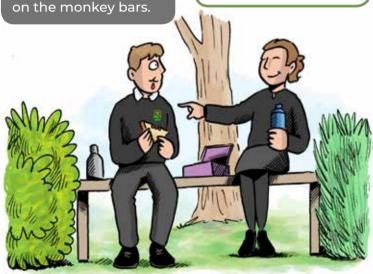

## WHAT HAPPENS AT BREAK AND LUNCHTIME?

You can play football on the field or at our multi-use games area, or play basketball on the playground. You can also burn off energy using our outside exercise machines or playing If you prefer, you can sit and talk to your friends in our peaceful picnic area.

Or you can stay inside in one of our open rooms, where you can work or play games.

At lunchtime, you can join in a game or activity organised by a staff member, such as New Age Kurling or parachute games.

If you have a school lunch, you can choose from our delicious menu, which includes hot and cold and vegetarian or vegan options. You can choose from sandwiches and wraps, burgers, pizza, pasta, quiche or a roast dinner. There is something different every day.

You will collect your lunch from the hall and can eat it there or outside in the picnic area. If you would like to eat somewhere quiet, there is a special room where you can go.

If you have brought a packed lunch, you can eat it in the hall, quiet room or picnic area.

## WHAT HAPPENS AT THE END OF THE DAY?

You will return to your tutor group at the end of each day to collect your belongings before you go out to your transport group. You will wait in your transport group in the quiet area. When your minibus or taxi is ready, a staff member will take you to meet your adult escort.

If your parents or carers collect you, you will wait in the hall. A member of staff will collect you from there and take you to the front of the school to make sure you leave safely with an adult.
