We all enjoy swimming. Hamad, Alina and Alfie are having fun in the pool with their teachers.

Alina is swimming without her armbands today. "Well done Alina," says her teacher. "That was fantastic!" "I can't wait to tell my mum and dad about this," says Alina. "They will be so proud of me."

Hamad is enjoying floating in the water. He feels so light as he bobs along in the water, relaxing.

Alfie is enjoying kicking and splashing. He likes to pretend that he is a dolphin.

Are you looking forward to coming swimming?

What happens if I am hungry or thirsty?

At lunchtime you can have a lovely, tasty meal. Lunchtime at school is like eating with your family at home. It is a very happy time when you sit and eat with your friends and teachers. There is always a grown-up to help you.

Alina has made a friend called Lucy. "My favourite lunch is chicken nuggets and mash," says Alina. "Mine too!" says Lucy. They have lots of fun chatting about what they both like to eat.

What is your favourite meal?

thirsty?

The children are having lots of fun making some noise with the musical instruments.

What activities do you like doing?

If you do not eat lunch, we always have lots of wonderful activities on at lunchtime such as making music, art and craft, and playing on equipment.

What happens at the end of the day?

At the end of the school day we ring the school bell so you know it is time to go home.

Fridays are an extra special day in school because we give awards to children who have done very well during the week.

Alfie's teacher has given him a sticker. "You have done such good work this week Alfie. We are so pleased."

We also give out a special award for 'Star of the Week'. The children look forward to seeing who the 'Star' is each week.

Alina is so pleased to be the 'Star'. "You tried very hard with your swimming," says her teacher. "We are all very proud of you." Alina is very happy and her friends are very pleased for her too.

Your taxi or minibus will take you home at the end of the day.

Are you looking forward to coming to school?

Alina, Alfie and Hamad are very happy at Green Park School and they think you will be too.
