

Hawthorns
School

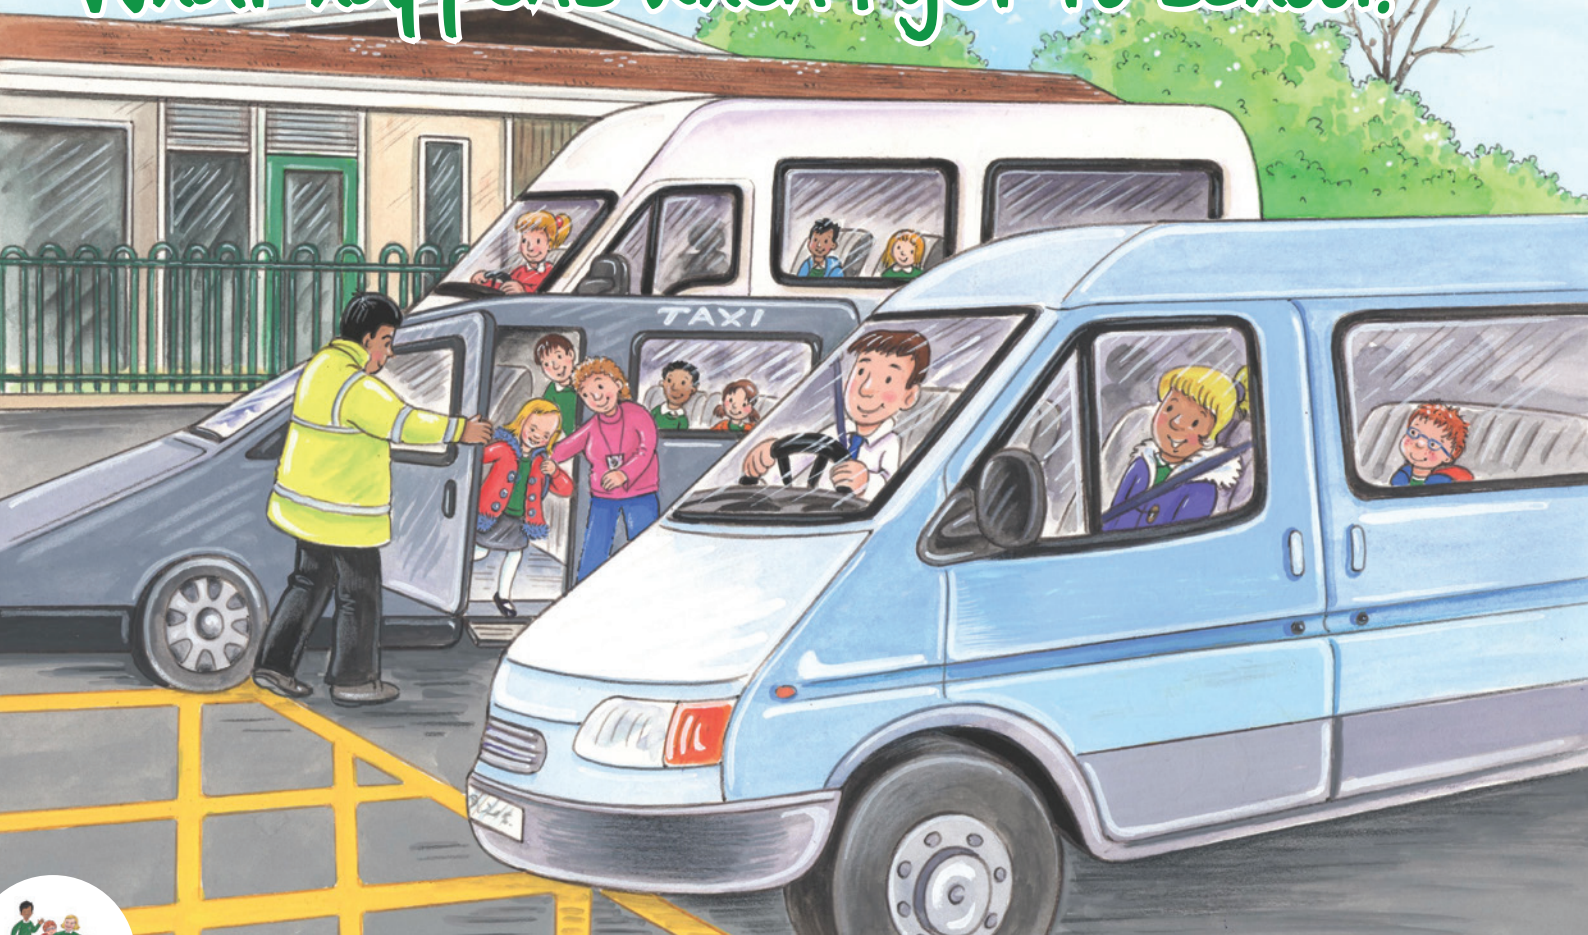

Happiness
and Success

Sophia, Raheem and Danny love going to
Hawthorns School... it's a fun place to learn!

What happens when I get to school?

Raheem, Danny and Sophia arrive at school in taxis and minibuses. Sometimes grown-ups from home drop you off too.

A grown up helps Sophia step off the minibus. Raheem and Danny can't wait to get into school.

At first you will play in our lovely playground... and when you hear music you will line up to go into class, and start your school day.

Can you count the numbers on the caterpillar?

Are you looking forward to coming to Hawthorns School?

What will I do at Hawthorns School?

Sophia has been reading this book in Guided Reading, and is sharing it with some friends. The dolphins have lots of friends just like Sophia.

There are lots of fun activities at school. We will use symbols to show you what you will be doing each day.

Danny loves playtime.
"I can spin the hoop," he says to the grown-ups on the playground.

Raheem is learning about growing plants and flowers. He is planting some with his friend.

What activities do you like to do?

There are lots of exciting trips and visits out of school

Raheem loves going to swimming lessons, and has learned to be a really good swimmer. "I can swim in the deep end now," he says.

There will be lots of exciting trips and visits. Some of the children have visited:

- The Donkey Sanctuary
- Lego Land
- Tatton Hall
- The Adventure Farm
- ...and Sytal Mill, where you will learn what it was like to be a child in Victorian times.

There are also fun learning activities at Hawthorns including:

- Swimming
- Sports
- Dance
- Cheerleading
- Cycling trails
- Sponsored walks.

If you get stars on your starblazer chart each day you can go to the Friday Starblazer Club, where you can choose and enjoy different activities.

Danny enjoys feeding the donkeys at the Donkey Sanctuary.

Where are your favourite places to visit?

What happens if I'm hungry at school?

In the morning, you can have a snack in school. This includes toast and/or fruit ...and on a Friday we have a tuck shop!

At dinnertime, everyone goes to the hall where you can choose your dinner at the serving hatch. You then eat your dinner at a table with your friends and a grown-up from class.

Raheem likes potatoes, peas and carrots with his cheese pie.

Danny loves his food...and is looking forward to eating his cake...and wonders what the red bits are on the icing!

You can also bring in your own packed lunch.

What is your favourite food?

What happens at the end of the school day?

school day?

When the music plays at the end of the day, you collect your coat and school bag ready for home time.

If you are being collected by a grown up from home you wait in the classroom.

If you go home by taxi or mini bus, a grown up will take you to your bus or taxi.

Danny can't wait to come back to school tomorrow.

Are you excited about starting at Hawthorns School...and making new friends and learning new things?
