

# HEDNESFORD VALLEY HIGH

Joshua, Amira and Ben are excited to  
be starting at Hednesford Valley High

Believe, Succeed, Achieve.

## How will you help me settle in at Hednesford Valley High?

We arrange for you to visit our school twice before you leave your Primary School. We call these visits Transition Days.

On your first visit, you will be brought by some of your Primary School Staff. You will have 6 different mini lessons so you can see what you will be learning when you start at Hednesford Valley High.

On your second visit, you will come without your Primary School Staff. On this visit, you will find out about all the other things you will be doing and learning once you join us.

Amira, Joshua and Ben are learning what happens at Hednesford Valley High.

You will have free snacks and lunches on both days so you can see what food we have.

## What do you need on the first day?

It will help you settle in more easily and confidently if you know that you have everything you need when you arrive at school.

Make sure you are wearing the correct uniform. You will also need a school bag which has room for all your books, equipment and packed lunch, if you have one.

Joshua, Amira and Ben are checking they have everything ready to start at Hednesford Valley High.

So don't forget:

- Wear your full uniform.
- Bring your school bag and water bottle.
- Pack your pens and pencils in your bag.
- Pick up your lunch box, if you are bringing one.

# How should I behave?

We have some basic rules:

- We will be kind, caring and helpful.
- We will try hard to make and keep friends.
- We will treat others the way we want to be treated.

- There will be no bullying.
- We will share.
- We will join in and take turns.

We all follow the rules and that makes us all happy so we really enjoy school life.

## What will happen during the school day?

You will have 6 lessons in a day with a break after each set of 2 lessons.

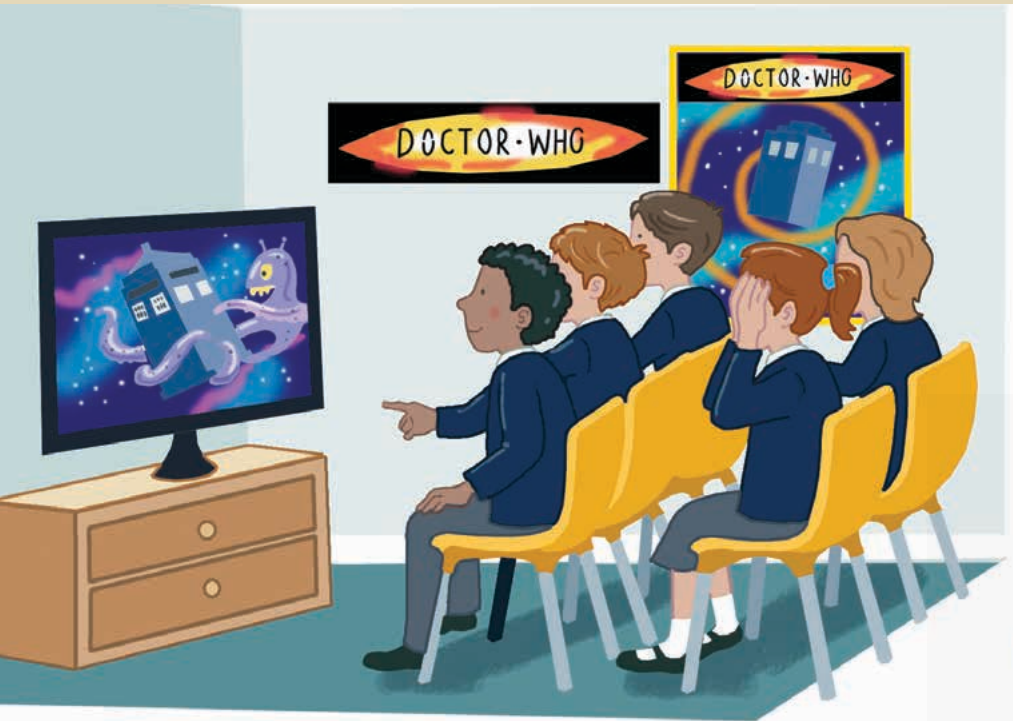

Your subjects will be: Maths, English, History Geography, Science, ICT, Cookery and PSCE (Personal, Social, Citizenship and Health Education).

You will have different classrooms and different teachers for some of your classes.

Ben is enjoying getting to know his new teacher and classmates.

## What activities will I do at lunchtime?

Joshua and his new friends are enjoying the Dr Who Lunchtime Club.

We have several fun Lunchtime Clubs such as:

- Colouring Club
- ICT Club
- iPad Club
- Dr Who Club
- Sing and Sign Club
- Art Club

We also have after-school clubs where you can play games and sports, use computers, and sing and sign.

Ben is playing basketball with his friend Joshua.

Joshua, Amira and Ben love coming to Hednesford Valley High and going to Forest School, and they think you will too!
