

Omar, Sara and Michael are looking forward to coming back to Riverside School after the summer holiday

What happens at the end of the school year?

In June, I say goodbye to my friends, teachers and classroom assistants for the summer.

Sara is waving goodbye to Michael and Omar as they leave on the bus.

What will I do in the summer holiday?

I will have lots of fun and will relax over the summer holiday.

Omar is in a paddling pool and is catching some bubbles.

How will you help me get ready for the new school year?

Before I come back to school in September, my school will send my grown-ups photos of my new teachers so I can see what they will look like before I come back to school.

Michael is looking at the photos with his dad. He thinks his new teachers look very friendly.

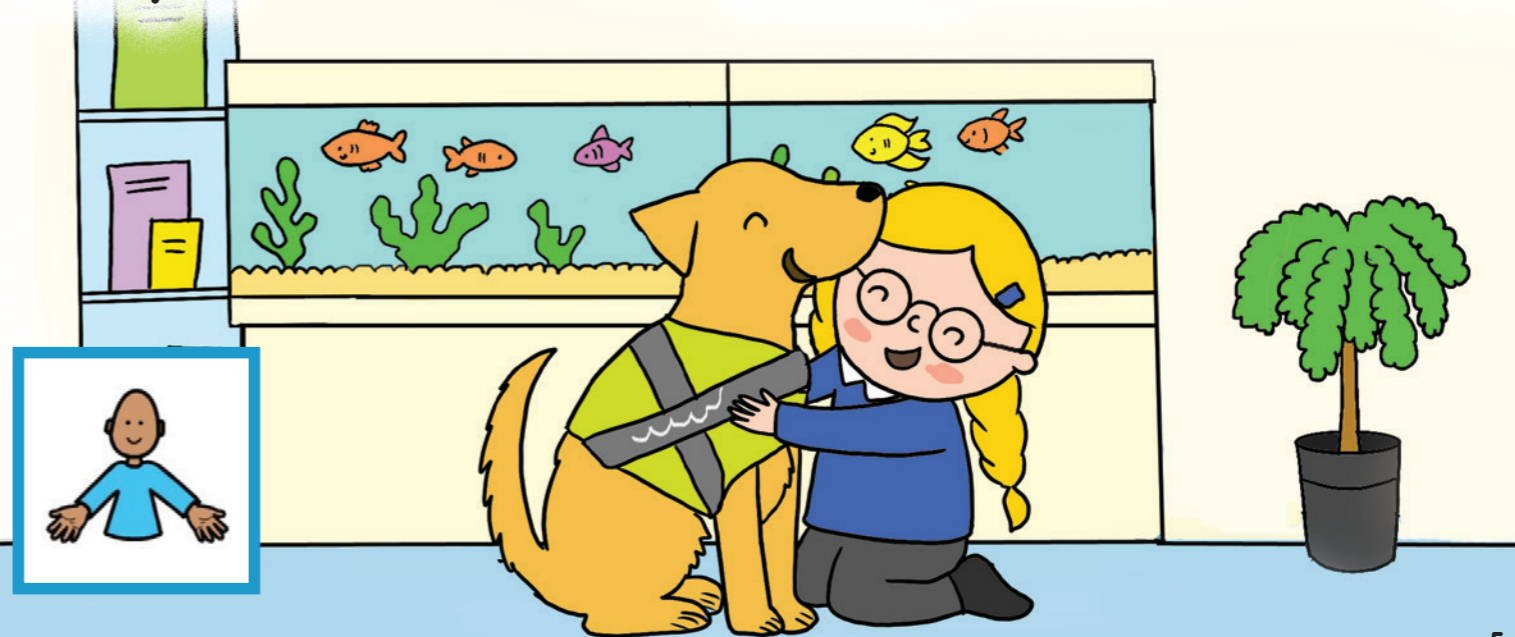

He is excited about coming back to school.

What happens when I come back to school?

On my first day back, Potter, Riverside's lovely therapy dog, will be there to greet me in the foyer.

Sara loves stroking Potter before going to class. Potter is happy to see all of the children.

What new things will I see at school?

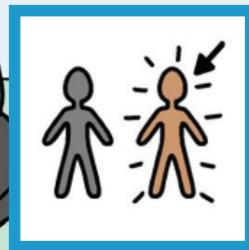

My classroom might have changed and be in a different part of school. It will be okay; my teachers and assistants will help me learn the way.

Sara and Omar are very happy to see Michael in their new classroom.

What about new friends?

I might meet some new people in my class that I have not seen before.

Omar sees a girl in his class playing with a toy car. Omar loves toy cars so decides to play with her.

Will I like making new friends?

Sara meets
a new friend
called Peter.

He likes to play
on the swing,
just like her!

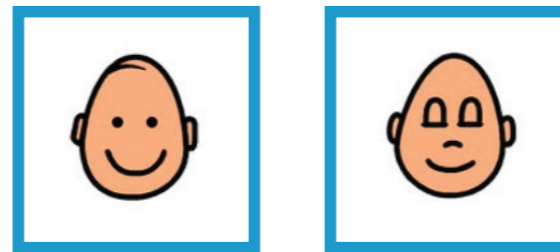

It is lots of
fun making
new friends.

What will my new teacher be like?

This year, my teacher might have changed. My new teacher will keep me safe and help me learn new things!

Omar is with his new
teacher and playing
with blocks.

He thinks his teacher is
very kind and as nice as
his teacher last year.

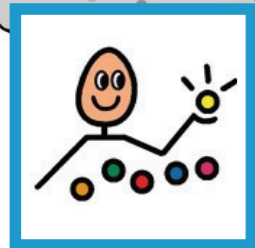

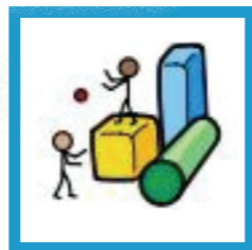

What things will be the same?

Even though I may have a new classroom and teacher, I will still get to visit all of my favourite areas around school.

Soft Play

Sensory Garden

Forest School

Sensory Room

Sara, Michael and Omar know that life at Riverside School will always be wonderful!
