

Sara, Michael and Omar are coming to Riverside School

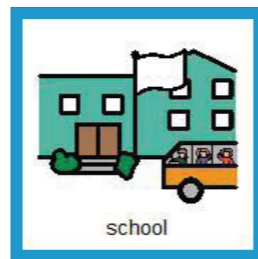

How do I get to school?

I will travel to school by bus, but some children may walk or arrive in a car or taxi.

What will I see when I go into school?

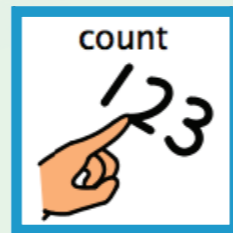

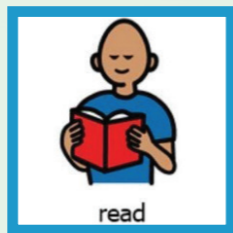

On my way to the classroom, I like to stop to look at the Riverside fish with my teachers, just like Michael, Omar and Sara are doing.

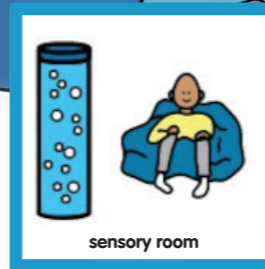

Are you excited about coming to school?

What will I do at school?

At Riverside, there are lots of exciting, fun things to do and learn, such as reading books and learning numbers.

I enjoy playing with my friends in the sensory room and soft play area.

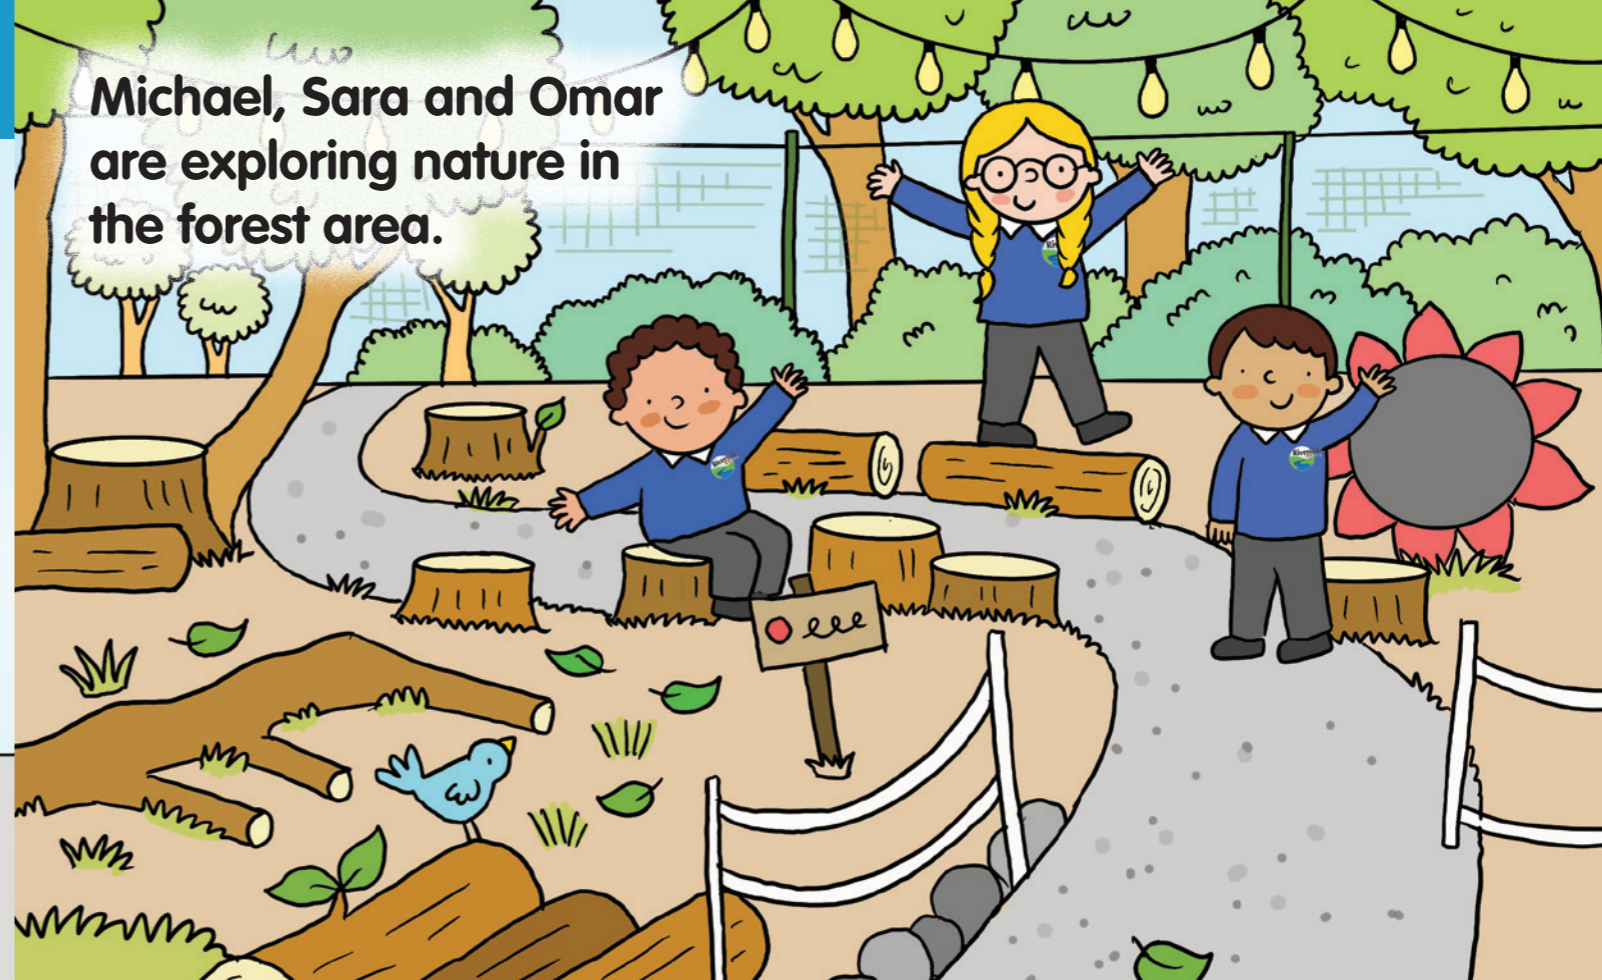

What activities do you like doing?

What can I do outside?

When I go outside,
I love playing with
my friends.

Michael, Sara and Omar
are exploring nature in
the forest area.

Do you like playing outside?

How will you look after me at school?

I feel happy and safe at Riverside School.

My teachers and classroom assistants are always there to help and support me.

The kind adult is helping Michael with his legs.

Omar likes playing music on the piano.

Are you looking forward to meeting the kind adults at Riverside School?

At the end of the school day, I enjoy choice time and singing a song with my friends.

Then I say goodbye and go home.

I have had so much fun at school with my friends and teachers.

Are you looking forward to coming to school?

I am having lots of fun learning and making friends at Riverside!
