

Sophia, Ben
and Lauren
are coming
to Selworthy
School

Selworthy School

How do I get to school?

Most children will come to school on a mini-bus or by taxi and will be looked after by kind adults on their journey. Some children will be brought into school by their grown-ups.

When you get to school, you will be taken to the front door, where one of the teachers will be waiting to meet you and take you into school. Your coat and bag will be hung up on your own special coat hook.

Everyone will be very pleased to meet you when you come to Selworthy School. We are very kind and friendly here and we can't wait to welcome you and your family to join us here at Selworthy.

How are you going to come to school?

What will I do in school?

The children are having lots of fun in the pool. Sophia loves floating in the warm water.

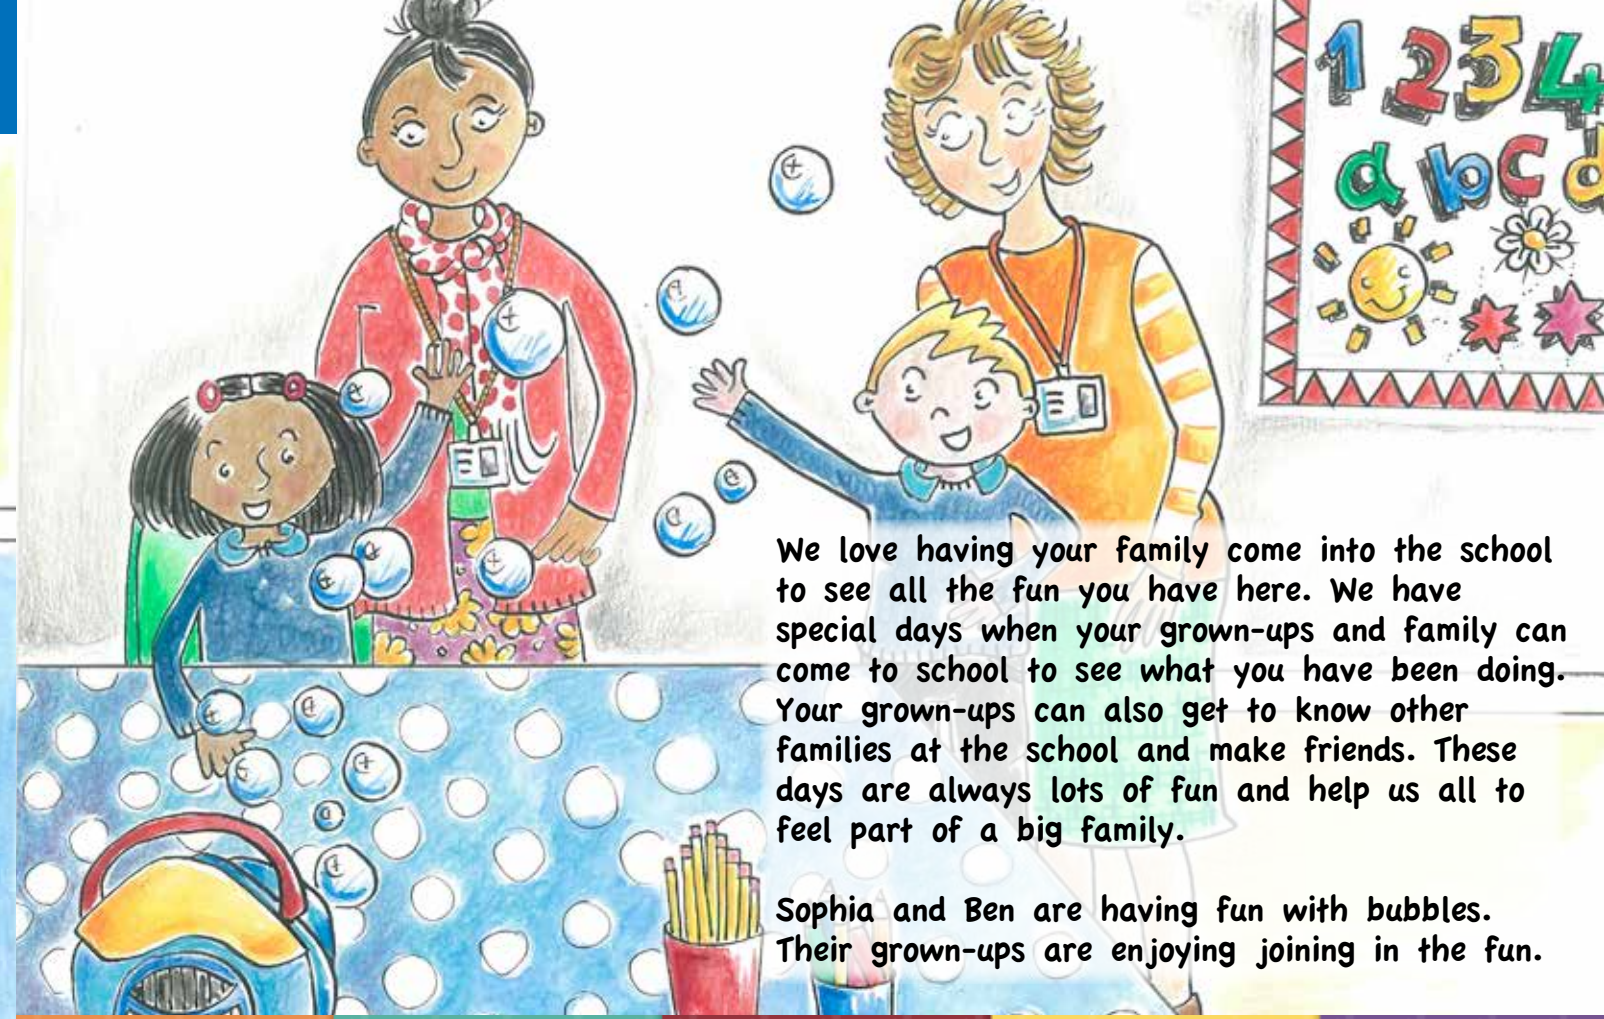

What do you like doing?

How will my family be involved with the school?

Ben is in the sensory room with his teacher. He loves the lights and feels calm and happy here.

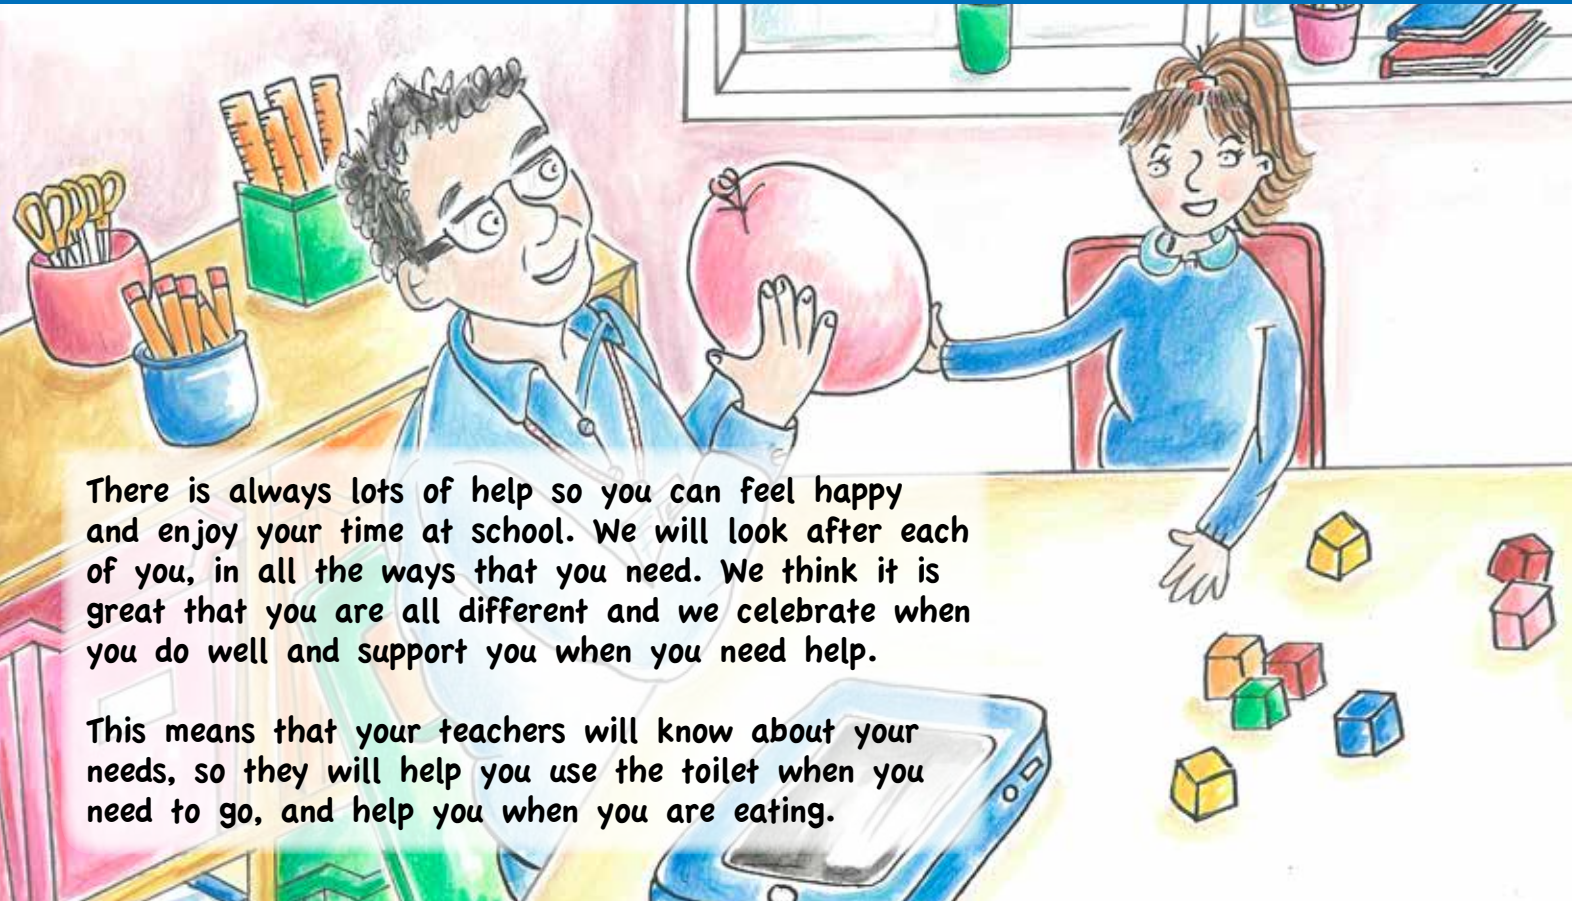

We love having your family come into the school to see all the fun you have here. We have special days when your grown-ups and family can come to school to see what you have been doing. Your grown-ups can also get to know other families at the school and make friends. These days are always lots of fun and help us all to feel part of a big family.

Sophia and Ben are having fun with bubbles. Their grown-ups are enjoying joining in the fun.

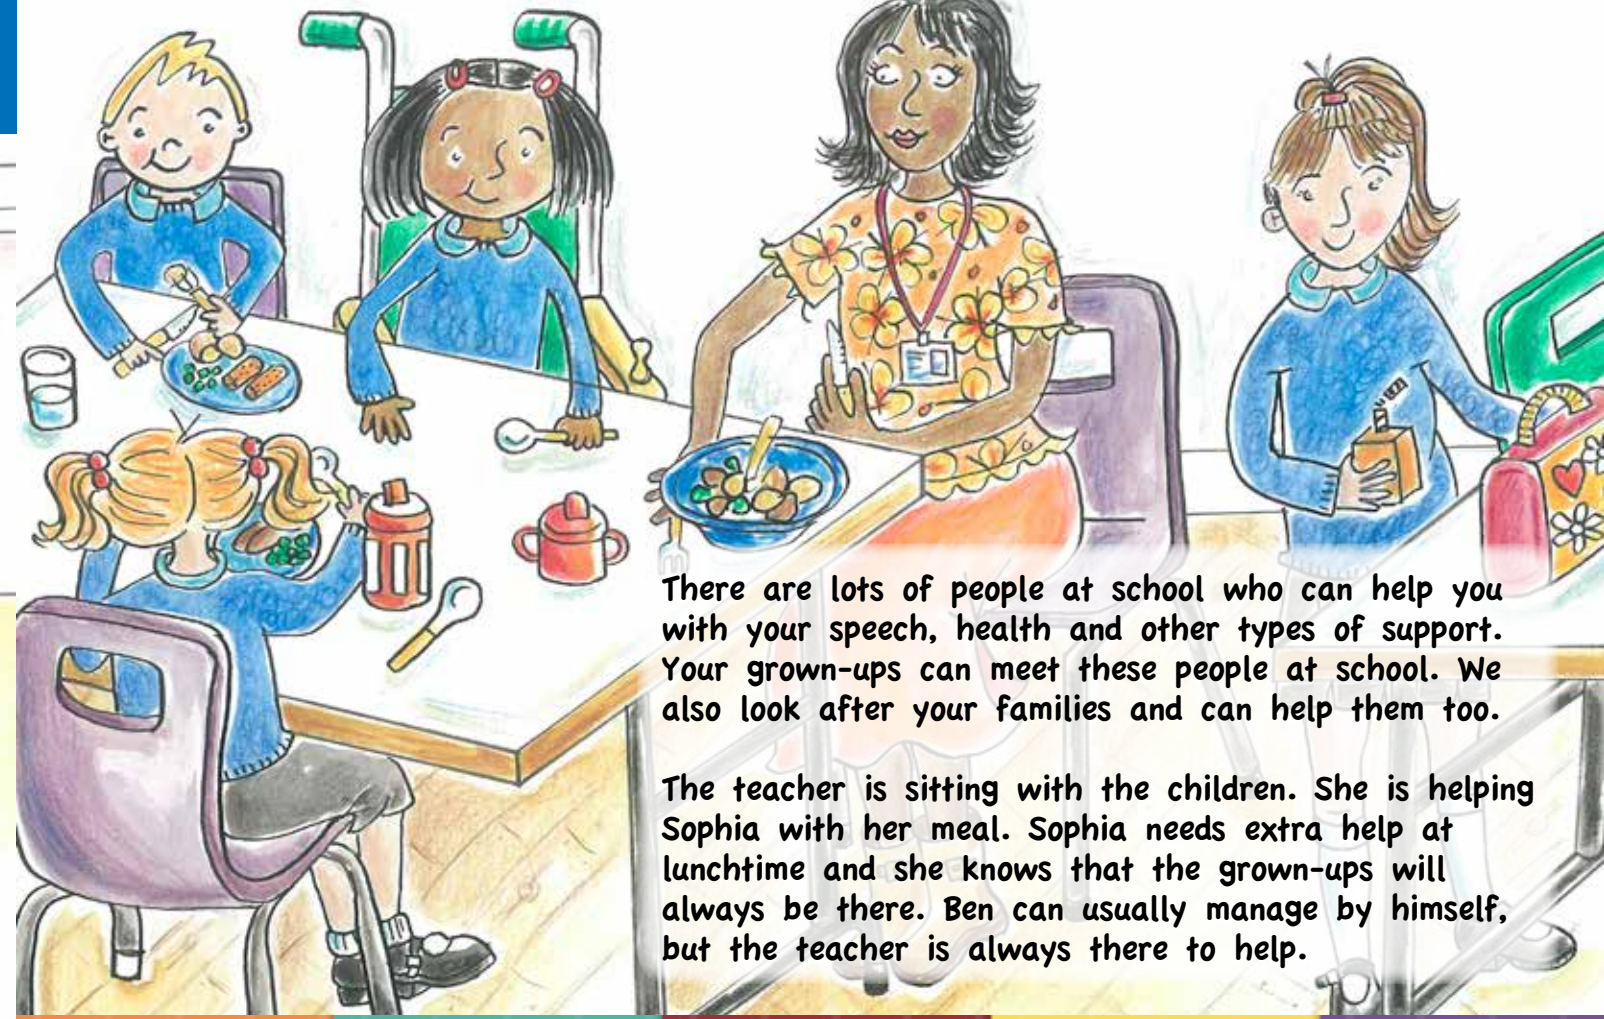

What do you enjoy doing with your family?

What extra help will I get at school?

There is always lots of help so you can feel happy and enjoy your time at school. We will look after each of you, in all the ways that you need. We think it is great that you are all different and we celebrate when you do well and support you when you need help.

This means that your teachers will know about your needs, so they will help you use the toilet when you need to go, and help you when you are eating.

There are lots of people at school who can help you with your speech, health and other types of support. Your grown-ups can meet these people at school. We also look after your families and can help them too.

The teacher is sitting with the children. She is helping Sophia with her meal. Sophia needs extra help at lunchtime and she knows that the grown-ups will always be there. Ben can usually manage by himself, but the teacher is always there to help.

What is your favourite meal?

What happens at the end of the school day?

At the end of the day, we will all go to the hall to meet up for an assembly. We have lots of fun in assembly and it is a very happy time of the day. We will all sit on chairs.

We will sing songs, celebrate when anyone has done well, say prayers and even sing 'Happy Birthday'.

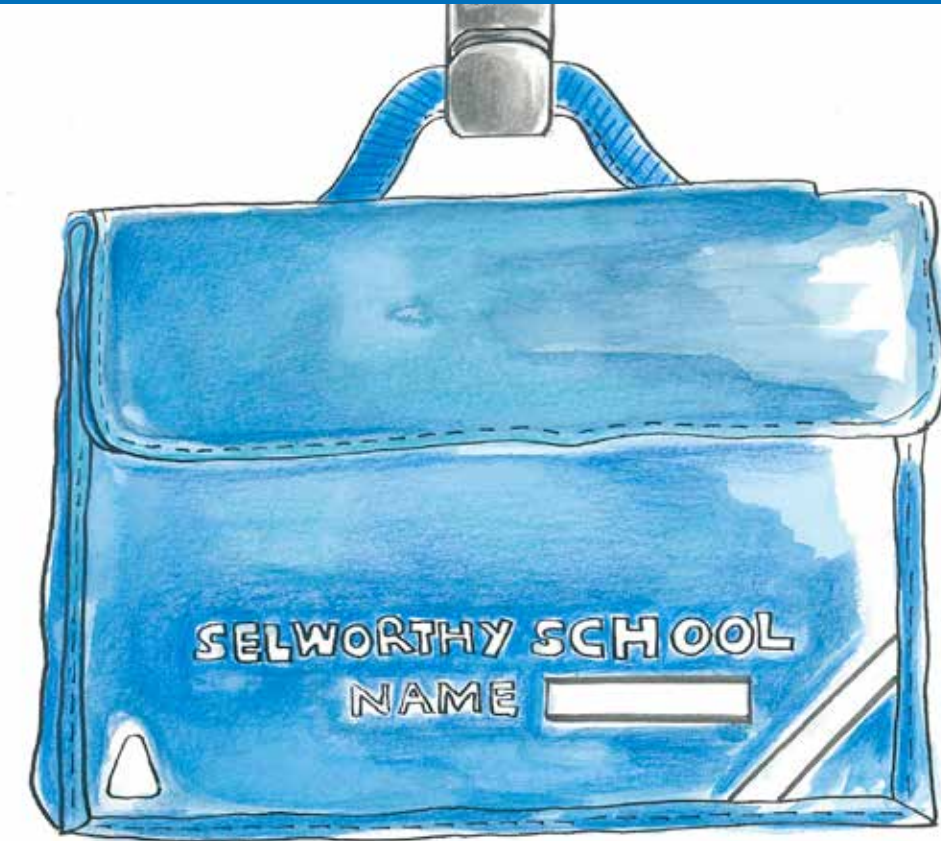

After assembly, we will help you get your belongings together and you will go home by transport or your grown-ups will come and pick you up from school.

How will my school communicate with my family?

If we need to give a message to your grown-ups we will ring them or put a note in your home/school book.

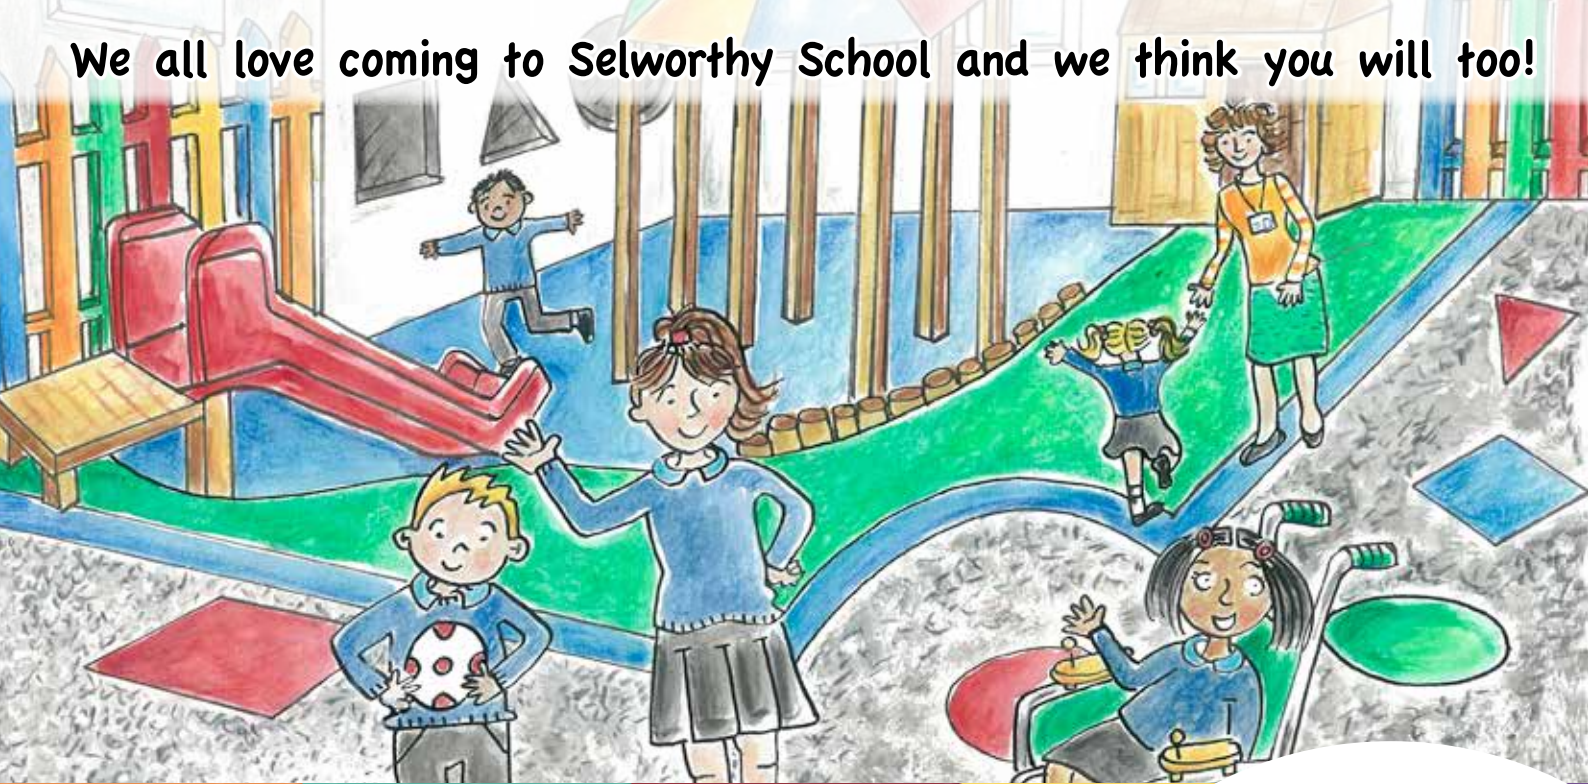

You may also take home some of the work you have been doing.

If your grown-ups want to speak to us, they can ring at any time or email us. There will always be someone here to help.

Are you looking forward to coming to our school?

We all love coming to Selworthy School and we think you will too!
