# What happens when I get to school?

We are looking forward to meeting you when you start school. Our school is small, and we are all kind and friendly.

When you come into school, you will wait in the playground with your grown-up. When the bell rings, you will say "goodbye" to them.

"Goodbye, Mum," says Sophie. She is excited about starting school and making some new friends.

Your teacher will say "hello" to you and take you into school.

You will hang up your coat and bag on your own special peg in the cloakroom area.

"Hello, my name is Edward," says Edward to Sophie and Sam. The children are making friends.

You will put your water bottle and lunch box on the shelf in your classroom.

The children have brought wellies from home which they will wear outside when it is muddy.

There will be some fun activities like books or colouring for you to play with on the tables in the classroom.

When it is time for your school day to start, you will sit on the carpet and your teacher will check who is in school. They will also ask you what you would like to eat for lunch that day. They will tell you what choices you have.

## Do you know when you are coming to school?

# What will I do in school?

book corner

creative area

There are lots of fantastic activities to do indoors and outdoors. Sometimes you will do activities with your teacher, sometimes with your friends and sometimes by yourself. You will make friends with the other children when you play together.

Sometimes your teacher will decide what you do, and sometimes you will choose.

Each day, your teacher will set three things that you will do during the day. They may be something like doing some number activities or practising using a pencil. Your teacher will help you with these activities.

## Indoors

Edward is looking at a book.

music

writing area

Sophie, Sam and Tom are practising word sounds.

Lego

craft

Katie is playing music.

## Outdoors

grass and tarmac play areas

water play area

balance bikes

sand area

climbing frame

Sam and Sophie are playing with Duplo blocks.

swings

painting

reading area

Edward is playing with water.

pirate ship

## What do you like doing with your friends?

## What if I am hungry or thirsty?

If you are hungry during the morning, you can have a healthy snack during morning breaktime. You can have a drink from your water bottle whenever you are thirsty.

Edward, Sophie and Sam are enjoying their snacks at breaktime.

"My apple is so tasty," says Edward. "Where is your snack, Sophie?" he asks.

"I ate my banana really quickly," she says, laughing. "It was so nice."

At lunchtime, we all go to the hall to have our lunch. You can sit with your friends from your class or family and friends from other classes. Everyone is very kind and helpful, and kind adults and older children will look after you when you have your meal.

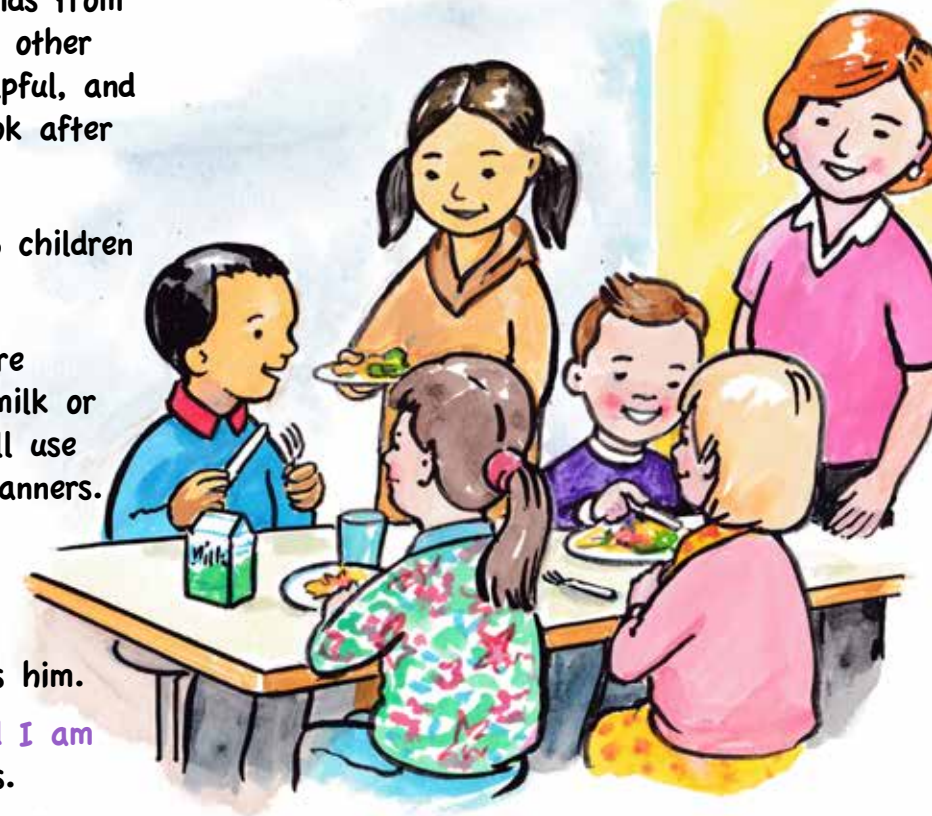

You will sit at your table and Year 6 children will bring your meal to you.

We all love our school meals. They are delicious and healthy. You will have milk or water to drink when you eat. You will use cutlery nicely and show good table manners.

Sam's big sister, Lisa, has brought him his meal.

"Are you having fun today?" she asks him.

"Yes, I am. My lunch looks great and I am looking forward to eating it!" he says.

## What is your favourite meal?

## What if I need the toilet?

When you need to go to the toilet, just tell your teacher. You don't need to wait for break, you can go whenever you need to.

The toilets are next to your classroom, so they are easy to get to.

You will go to the toilet by yourself but if you need help, just let your teacher know and they will help.

Sam has asked his teacher for help flushing the toilet and she has helped.

"Thank you," says Sam.

"That's fine," says his teacher.

"Always let me know if you need help."

Sam is washing his hands with warm water and soap, using the special soap pump.

He dries his hands carefully before he goes back to play with his friends.

Sam practised going to the toilet at home before he started school, so he feels happy going by himself.

He knows that if he has a toilet accident, he can tell his teacher and they will help, and it will be OK.

His grown-ups have left some extra clothes in school in case he needs to change his clothes.

## Can you use the toilet by yourself?

## What happens when it is time to go home?

At the end of the school day, you will get your belongings together and put your coat on.

"I had lots of fun today," says Edward.

"So did I," says Sam.  
"I really enjoyed seeing my big sister and having my lunch with you all."

Sophie is doing up her coat. She practised at home and now she can put her coat on all by herself.

When it is time to go home, you will line up and wait by the door. When your teacher sees your grown-up waiting outside, they will let you know you can go and say "goodbye".

You will take a book home every day in your own reading folder. You will look at this book with your grown-ups.

"I can't wait to look at my book with my dad," says Edward.

"That's great," says the teacher. "Tell me all about it tomorrow."

## Are you looking forward to coming to school?
