ASSET Education is a growing multi-academy trust based in Suffolk. Now with over 3000 primary-aged pupils educated within our schools, ASSET is able to provide the support, systems and expertise to ensure the very best for our pupils, families and staff. Our vision is to create outstanding practice in teaching and learning and to give real opportunities for the children in Suffolk to achieve and flourish. Our values, Excellence, Empowerment, Engagement and Equity are at the heart of all we do. We always recommend school visits are arranged to gain a real insight into what our schools can offer. Visit our website for more information [www.asseteducation.co.uk](http://www.asseteducation.co.uk).

Our Aims and Vision

- We provide an education that places importance on the development of the whole child, helping to foster lively, enquiring minds.
- We promote a health-conscious environment where children understand the importance of health, hygiene and safety, and where they are involved in regular exercise.
- We provide a positive atmosphere for learning in which all pupils are able to play an active part as a valued member of the community.
- We recognise the multicultural character of our society, by encouraging respect, empathy and tolerance for the beliefs and customs of all.
- We encourage the partnership between home and school by inviting parents to share responsibility for their child's educational development.
- We provide equal opportunities for all by recognising that each child is a unique individual with his/her own physical, emotional, spiritual and social and educational needs.
- We further links between the school and the wider community.
- We demonstrate our ongoing commitment to raising pupils' achievement and being collectively responsible for whole school improvement.
- We provide a broad, balanced, enriched curriculum through the delivery of the Early Years/Foundation Stage Curriculum and the National Curriculum.

Our Vision

To provide education which enables every pupil to develop to the very best of their individual ability, providing cultural and physical challenges and British values.

Objectives

- Provide a safe and secure environment for learning.
- Enable every child attending the school to reach or exceed the National Average results in all aspects of their education.
- Provide supervised physical exercise for all pupils, bearing in mind their individual capabilities.
- Ensure pupils obtain a rounded cultural development, including knowledge of all faiths and religions.
- Teach British values and expectations.
- Provide pupils with a rounded education which ensure that all are treated equally and develop respect for other pupils and staff.
- Provide opportunities for children to broaden their education by arranging for outside speakers to visit the school and organising off site visits.
- Ensure that all staff are suitably trained and developed.
- Produce a balanced budget to support the education of pupils.
