

Tobias, Harry and Alisha love going to Temple Hill Community Primary School and Nursery

What happens when I get to Temple Hill Community Primary School and Nursery?

Mums and dads take you in to school to settle you in. Alisha, Harry and Tobias are very excited about starting school.

You will hang up your coats, change your book ... and then start to have fun!

Alisha has a packed lunch, and is putting it away with the other packed lunches.

"Welcome to our school," teacher says to everyone.

Are you excited about starting school too?

How do I make friends?

Teacher is helping Tobias, Alisha and Harry to feed the school rabbits. It's fantastic fun. Sally runs over to help.

"I wish my bed was made of straw too," says Tobias.

"It would be very prickly," says Harry laughing.

"Can I feed the rabbits a carrot?,"
Alisha asks the teacher.

Sally asks if they are going to
play on the climbing frame next.
They all say "yEs"...because
they all love the playground.

What do you like to do with your friends?

What if I'm hungry?

In the morning you can have fruit and drink.

Alisha likes milk, and especially drinking it through a straw.
"The straw turns white," giggles Alisha.

Harry and Tobias love peeling and eating bananas.
"They are my favourite," says Harry.

What is your favourite food?

"These sausages are yummy," Tobias says to Harry.

"I love the mashed potato," replies Harry, feeling really hungry.

What food do you like to have for dinner?

At dinner time, the dinner ladies will help you get the food you like.

Lunchtime supervisors will help you at the table where you can sit with your friends.

What will I do in school?

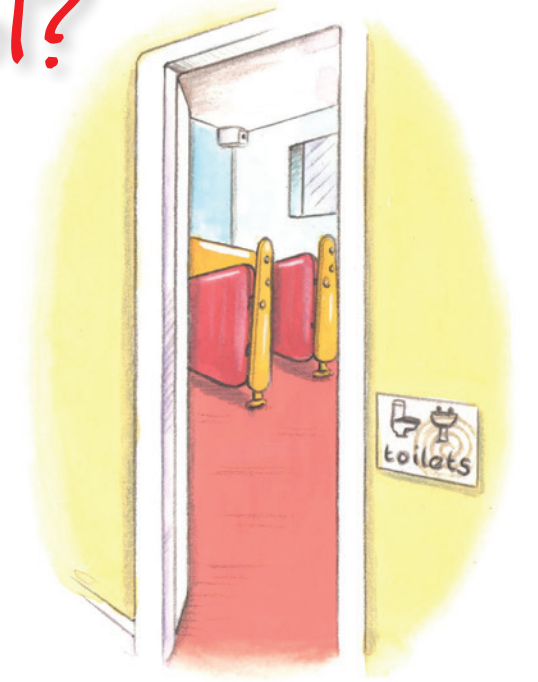

You will do lots of different fun and exciting activities at school.

Teacher is helping Alisha to write letters.
“I’m great at letters,” says Alisha. “I can’t wait to show mum and dad what I’ve learnt to do today!”

Harry is reading a book about elephants.
“Elephant is a long word,” he says to Tobias.

Sally is telling teacher that she needs the toilet.

The toilet is next to the classroom. Just ask an adult in class if you need the toilet.

What are your favourite things to do?

What happens at home time?

Before you get ready to go home, you will all sit on the floor and the teacher will read you a story.

Alisha is really excited to hear about the snail's adventures. "I think I'd like a pet snail," she says to the class.

They all laugh, and say they would like a pet snail too!

"I really enjoyed feeding the rabbit today," Tobias says to a new friend called Gracie.

"I can't wait to come back tomorrow."

Gracie nods and says, "I wonder what we will be doing tomorrow? I hope we do some painting. I do a lot of painting at home."

After the story, you will put on your outdoor clothes and collect your book bag. Alisha has already collected her packed lunch.
